

In the ORS 656.260 Managed Care Dispute of

**REBEKAH D. LEPPERT, Claimant**

Contested Case No: H04-052

**FINAL ORDER OF DISMISSAL**

September 27, 2004

REBEKAH D. LEPPERT, Petitioner

SAIF CORPORATION , Respondent

Before Cory Streisinger, Director of Consumer and Business Services

---

The Claimant requested a contested-case hearing to review the underlying administrative order issued by the Workers' Compensation Division. The director has received a Claim Disposition Agreement dated June 23, 2004. Because the parties have disposed of claimant's workers' compensation claim, the issue before the director is moot.

ACCORDINGLY, IT IS ORDERED that this matter is dismissed. *See* OAR 137-003-0510(4) and OAR 137-003-0665(5).
