BULLETIN NO. 248 (Revised)
January 2, 2007

TO: Certified managed care organizations (MCOs), Oregon workers' compensation insurers, self-insured employers, and other interested parties

SUBJECT: MCO geographical service areas (GSAs)

This bulletin notifies all interested parties of the current MCO GSAs. This bulletin has been revised to delete one ZIP Code that no longer exists (97359 in GSA 6), add three additional ZIP Codes (97086 and 97089 in GSA 4 and 97317 in GSA 5), and to add city and town information with each ZIP Code, in Exhibit A. No other substantive changes have been made. This bulletin replaces Bulletin 248 issued November 17, 2004.

MCO GSAs

The Workers' Compensation Division has established 15 GSAs statewide. These service areas are established to ensure that MCO-enrolled workers will have reasonable and convenient access to medical care. Reasonable distance is defined in OAR 436-015-0030(3)(g) to be 30 miles (one way) in urban areas and 60 miles (one way) in rural areas, from the worker's place of employment. Each of the GSAs identified below is comprised of multiple postal zip codes listed in Exhibit A.

<u>GSA</u>	<u>DESCRIPTION</u>	<u>GSA</u>	<u>DESCRIPTION</u>

Authorization of MCO GSAs

In accordance with OAR 436-015-0035(2), the director will designate an MCO's initial GSA and approve any expansions to the MCO's service area. An MCO's authorized service area consists of all GSAs approved for that MCO. The GSAs for each MCO and all updates are included in the division's listing of certified MCOs. This listing is available upon request and on the division's Web site: www.wcd.oregon.gov/compliance/ioac/mco/mcoweb.html.

Please contact the Workers' Compensation Division at (503) 947-7710 [**new number: 503-947-7606**] with any questions about this bulletin or with requests for the MCO listing.
