-----  
**Job description:** Rick Mangrum Investigations is developing a Wild land surveillance division. We are seeking individuals who will be responsible for deploying, operating and maintaining static surveillance equipment. Need individuals who are capable of transversing across rough, uneven terrain in remote areas and in inclement or harsh weather conditions while carrying loads of up to 60 lbs. Must be able to dig using shovel or pick for the purpose of concealing static surveillance devices. Must have the ability to interact with Clients on a professional level. Must possess basic computer skills.

**Required education, skills, experience:** Valid drivers license and reliable transportation required. Successful candidates will be required to obtain Oregon Private Investigators License. Pay begins at \$8.40 per hour until Private Investigators license is acquired at which point pay will increase to \$10 per hour with incremental raises depending on performance.
